HEVILIFT

21st February, 2017

Dear Customer

I am writing to you to update on some changes occurring within Hevilift.

RE: HEVILIFT GROUP of Companies Rebranding

Hevilift Group Pte Ltd (Singapore)

Hevilift Limited (Papua New Guinea)

Hevilift (M) Sdn Bhd (Malaysia)

Hevilift Aviation Indonesia PT

Hevilift (AUS) Pty Ltd (Australia)

Hevilift (Myanmar) Ltd

For the second time in the company's 23 year history we have embarked on a rebranding exercise in line with some significant operational changes and initiatives across the group.

The company's logo and aircraft livery have changed and you will begin to see some of these changes implemented throughout the organization in our aircraft, uniforms, buildings and documentation. The Bird of Paradise yellow and green logo that served us for 17 years has been replaced by an orange **H** symbolising a combination of elements in our industry such as a helipad, aircraft propeller, runway threshold and the name Hevilift itself. The colours of green, white and purple have been replaced by orange, white and purple and combined with the new monotone logo eliminates one colour from the livery pallet.
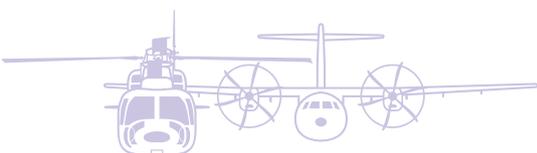

The rebranding exercise is scheduled to be completed by the end of the year. In line with the rebranding exercise we have launched a new website **www.hevilift.com** and all communications will migrate from the *heviliftgroup.com* email domain to **hevilift.com**.
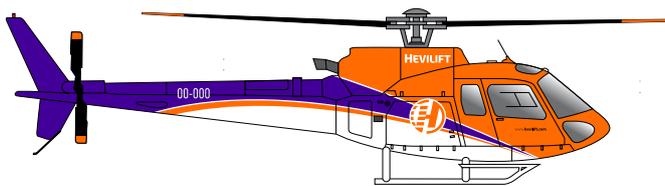

Whilst these branding changes require substantial coordination on our part, from a customer point there will be no impact or changes and its business as usual. I have attached the new livery designs for our fleet which will be flying with you soon.
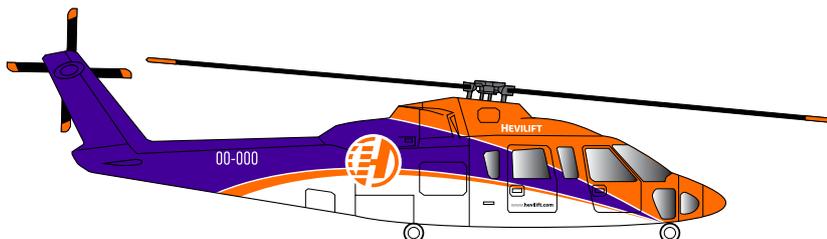

Regards

Brent Wise
